Key benefits

Michelin always aims to bring together multiple performances.

At MICHELIN, we continuously push safety, durability and fuel efficiency, and even more performances, all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™, which has and will always be our difference on every tire.

Built to take on Ice and Snow

This third generation X-ICE® winter tire provides the necessary traction to safely overcome extreme winter conditions featuring Cross Z Sipes™, Micro-Pumps, and the FleX-Ice™ compound.

Lasting winter performance

The MICHELIN® X-ICE® Xi3™ tire provides winter performance that lasts for 60,000 kilometres¹ with Michelin MaxTouch Construction™ which features a unique contact patch shape---maximizing even and longer tread life.

MICHELIN® Total Performance™

The MICHELIN® X-ICE® Xi3™ is also designed to be environmentally friendly to help reduce fuel consumption in addition to having excellent winter grip and long lasting tread life.

Keep in mind

You will find below some helpful questions to ask your dealer :

- If the tire you've selected is not immediately available at your dealer, you can always ask them to order it. It may be available in just 1 – 2 days.
- Remember that a good price does not reflect a tire's value: a tire that last longer, helps you save fuel, and keeps you safe in every condition has greater value in the long run.

Manufacturer's Suggested Retail Price (MSRP) is for a tire only (i.e., excluding services such as mounting, balancing and tire disposal) and is applicable for all provinces and territories of Canada. Actual pricing may vary based on retailer, region, tire size and other factors. Retailers are free to set individual prices. Please check with your local Michelin tire dealer for pricing near you.
