

Your Information Pack

Dear user,

You will find below the content of your information pack, it gathers all the information you will need to buy the right tire for your vehicle.

Here is the information from michelin.ca on your tire search for:

Your selected tire

MICHELIN® Pilot® MXM4®

Luxury Performance Touring, Passenger Car/Minivan

Providing all-season sport handling and a quiet, comfortable ride, this tire is original equipment on vehicles such as the Cadillac CTS, Acura TL and Mercedes C-Class.

Premium precision handling

Quiet and comfortable ride

Chosen by premium carmakers

All-season

Key benefits

Michelin always aims to bring together multiple performances.

At MICHELIN, we continuously push safety, durability and fuel efficiency, and even more performances, all at the same time and with no trade-offs. That's what we mean by MICHELIN® Total Performance™, which has and will always be our difference on every tire.

Feel Every Curve. ¹

European-handling profile with rounder shoulder keeps you in tune with every corner and enables you to push your vehicle to the edge of its performance capabilities. ¹

Enjoy a Quiet, Comfortable Ride.

Michelin Comfort Control Technology™ uses computer-optimized design and precision manufacturing to reduce vibrations and road noise.

80,000 KM Limited Warranty for H-/V-Rated Sizes. 60,000 KM Limited Warranty for W-Rated Sizes. ²

Tread design with MaxTouch Construction(TM) for even tread wear and numerous biting edges for all-season grip combine to deliver kilometres of driving pleasure. ²

Keep in mind

You will find below some helpful questions to ask your dealer :

- If the tire you've selected is not immediately available at your dealer, you can always ask them to order it. It may be available in just 1 – 2 days.
- Remember that a good price does not reflect a tire's value: a tire that last longer, helps you save fuel, and keeps you safe in every condition has greater value in the long run.

Manufacturer's Suggested Retail Price (MSRP) is for a tire only (i.e., excluding services such as mounting, balancing and tire disposal) and is applicable for all provinces and territories of Canada. Actual pricing may vary based on retailer, region, tire size and other factors. Retailers are free to set individual prices. Please check with your local Michelin tire dealer for pricing near you.

1. Exceeding the safe, legal speed limit is neither recommended nor endorsed.
2. 80,000 km limited warranty for H-/V-speed rated tires; 60,000 km limited warranty for W-speed rated tires. For terms and conditions, see your MICHELIN® Owner's Manual or visit www.michelin.ca.

OE [Vehicle Manufacturer] Sidewall Marking: * = BMW, MO = Mercedes-Benz, AO = Audi

OE Code [Original Equipment Key]: AC = Acura, AU = Audi, BM = BMW, C = Chrysler/Dodge, F = Ford, GM = General Motors, HO = Honda, HY = Hyundai, I = Infiniti, J = Jaguar, K = Kia, MA = Mazda, L=Lexus, MB = Mercedes-Benz, V = Volvo, VW=Volkswagen

XL = Extra Load

ZP = Zero Pressure Run-Flat Technology

>>The dimensions shown are average tire design values for tires measured on specified measuring rim widths. Some tires may vary from this value by +/- 3% of the section height (affecting overall diameter), and +/- 4% of the section width.

WARNING: Serious or fatal injury may result from improper mounting, from underinflation/overinflation/overloading or from tire damage due to abusive use.

Michelin North America (Canada) Inc. does not endorse the operation of any vehicle in an unsafe or unlawful manner.

Exceeding the safe, legal speed limit is neither recommended nor endorsed.

IMPORTANT: While all-season tires are designed to provide reliable performance in moderate winter conditions, the use of four (4) tires is recommended for optimal performance and may be mandatory in certain jurisdictions.

DANGER: Never mount a 14" diameter tire on a 14.5" rim, or a 15" diameter tire on a 15.5" rim, or a 16" diameter tire on a 16.5" rim, or a 17" diameter tire on 17.5" rim, or a 19" diameter tire on a 19.5" rim, or a 22" diameter tire on a 22.5" rim, or a 24" diameter tire on a 24.5" rim.
